

EVA LAST REVIVE ACOUSTIC PANELS STANDARD MANUFACTURER'S WARRANTY

Eva Last (Pty) Ltd ("Eva Last") warrants that each Revive Acoustic Panel ("Product") will be manufactured in accordance with Eva Last specifications and will be free from material defects in workmanship and manufacturing for a period of **one (1) year** from the date of purchase, in accordance with the Consumer Protection Act (CPA). This warranty does not cover normal wear and tear, natural variations in wood veneer, or minor cosmetic imperfections that do not affect the Product's acoustic performance.

This warranty is void if the Product:

- (i) is incorrectly installed;
- (ii) is used in environments not recommended by Eva Last (including areas with excessive moisture or humidity);
- (iii) has been modified, cut, altered, or otherwise subjected to changes that are not in accordance with the installation guide or combined with incompatible materials; or
- (iv) is damaged due to misuse, neglect, accident, impact, or improper handling. Colour variations, shade differences, and natural wood characteristics are not considered defects.

Eva Last offers a **100 day satisfaction guarantee** in addition to statutory rights. Products may be returned within 100 days for a refund; however, the customer is responsible for return shipping unless the return is due to a validated manufacturing defect.

This warranty is provided in place of all other express or implied warranties except those required under the CPA. Eva Last shall not be liable for any indirect, consequential, or incidental damages arising from the use of the Product. Customers accept full responsibility for the installation, intended use, and results obtained from the Product, whether used alone or in combination with other materials.
